Sunday, June 25 • 7 pm THE DEMPSEY/ NELSON WAY

Erika Boras-Tesi's sister and brother-in-law form a great duo. (And we're hoping Erika will join them with her cello to make it a trio!) This husband and wife team have been playing music together for over twenty years. DeWitt's funky upright bass and Barbara's smoky, soulful voice open up the door for all kinds of music. From jazz standards to pop (done their way) to blues and originals. This is a sweet listening experience. You can get a preview on their website: www.thedempseynelsonway.com

Sunday, July 9 • 7 pm BIG HEAD

Haley Gorycki grew up in Campwoods attending the Summer Services and now comes full circle as she returns to Ossining with her Brooklyn based band Big Head. The band began in 2021 after Haley (vocals, guitar) and Parth Viswanathan (guitar) had a conversation about Circa Survive at a pool party. Drawing on Haley's love of emo and Parth's technical guitar prowess, Big Head's music hopes to encourage you to do the things you are scared to do.

Sunday, July 23 • 7 pm MOJAZZ DANCE LEE MARVIN & THE 3RD BELL

MoJazz Dance is a Brooklyn, NY based company, comprised of women of a certain age, currently 50 - 75 years young. Led by founder and artistic director Audrey Hubbard Madison, the Ladies of this ensemble (*including Campwoods' own Karen McClain Marvin*) are fabulous, dynamic,

wonderfully fun-loving comrades and sisters who inspire and uplift audiences and each other, as they celebrate the joy of dance with heart and spirituality. MoJazz Dance presents choreographed works which reflect themes that are relevant to our experiences as women of color, and we perform for the empowerment of all.

The 3rd Bell is looking forward to bringing a new set of music to Campwoods Grounds on July 23rd. For the third year in a row the band will feature Brad Hubbard on baritone sax and flute, Edward Murphy III on drums, Alejandro Castro on guitar, and Lee Marvin on vocals and guitar. It has been a good year, the music and their friendship continues to grow. Please visit www.The3rdBell.com for more about the music.
